ENROLLMENT

Arizona Olympian Gymnastics LLC strives to provide the best-qualified instructors and coaches; safe equipment, and reasonable student/teacher ratios. We must limit our class sizes, and our expenses remain the same whether or not your child attends on a given day.

- *ENROLLMENT IN OUR PROGRAM IS WITH THE UNDERSTANDING THAT YOUR CHILD HAS A RESERVED CLASS SPACE FOR WHICH YOU MUST PAY FOR REGARDLESS OF YOUR CHILD'S ACTUAL ATTENDANCE.*
- There is NO pro rating for missed lessons.
- Parents or guardians are responsible for ensuring that the member uses the reserved class space.
- In order for us to keep an accurate account of class enrollment, we encourage members to pay their membership dues promptly—the week before the start of a new session.
- *Since membership at AZOG is based on a 4-week pay session, members who take an un-paid temporary break run the risk of losing their spot to a full-paying member.*
- To avoid any inconveniences, please call BEFORE returning to gym to confirm that your position is still available. Again, as a courtesy to AZOG and other members, please advise ADMINISTRATION of your intentions IN ADVANCE!

MEMBERSHIP DUES

Membership dues are to be paid per session for as long as a student is enrolled for a class. IF A STUDENT ATTENDS THE GYM AT ANY TIME DURING THE SESSION, (*INCLUDING MAKE-UPS*) THEY WILL BE CHARGED FOR THE ENTIRE SESSION.

- Your paid membership secures your child(ren)'s place for the duration of the current paid session.
- MEMBERSHIP DUES are owed the LAST WEEK of the CURRENT session (one week *prior* to the start of the new session) for the upcoming session. Membership dues *paid after the first day of the new session will be considered late*.

DELINQUENT MEMBERSHIP DUES

AZOG reserves the right to drop, *without notice*, unpaid members from the class roster. Dropped members are held responsible for any unpaid membership dues and late fees that are incurred.

To avoid inconveniences, please contact our administration prior to returning to gym. Once dropped from the class roster, students need to re-enlist and pre-pay for an AVAILABLE class time BEFORE participation is allowed. After an un-paid absence, "walk-ins" may not be accepted if the student's unpaid space was filled during his/her time away. (Your paid membership secures your child(ren)'s place for the duration of the current paid session.)

REFUNDS

THERE ARE NO REFUNDS ISSUED! Account credit can be given in extenuating circumstances!

PAYMENT POLICY

The gym has financial obligations based on our overall membership enrollment. We pay our coaches to be here whether or not your child is in attendance. This also means that there is a reserved class space specifically for your child that will not be given to new member students. Therefore classes are NOT prorated because of missed days. Likewise, if your child fails to attend class due to illness, school activities (including homework), vacations, appointments, etc., we do not prorate for missed lessons. Your child's paid membership secures his/her placement in a specific class.

We understand that unexpected hardships and extenuating circumstances happen; if you find yourself in this type of situation, please call us so that we can try to work something out, *privately*. Upper management must approve any and all exceptions. Your support will help us to maintain and improve upon our quality service to you!

Membership fees are due one week *PRIOR* to the first day of the upcoming session.

Membership dues paid on the second day or thereafter of the new session will be considered late

Payments can be made at the front desk or placed in the black payment box. Billing statements are NOT mailed out; however, a sign will be posted as a reminder.

A courtesy call will be made to remind you of any late membership dues.

\$10 late fees are incurred to delinquent accounts on the 7th day after the start of a session .

Late payments should have the appropriate late fees added to the membership dues.

NO PRORATING! Remember, your membership reserves your child(ren)'s space in class for the duration of the current paid session.

Only new members pay the appropriate pro-rated membership dues at the time of their enrollment.

Please adhere to the membership policy. Your cooperation is necessary to continue the successful operation of Arizona Olympian Gymnastics.

VIEWING POLICY

Management at Arizona Olympian Gymnastics, LLC welcomes parents, family members, and friends to observe our classes. We do, however, respectfully request that all those not participating in a class, including students waiting for their scheduled class to begin, remain in the designated lobby/viewing area. Only staff members, authorized guests, and students participating in their specified classes are allowed in the gym area. Please do not allow your children to wonder around the outside property.

MAKE-UP LESSONS:

We are not obligated to give make-up lessons. Membership at AZOG is similar to membership at a health club...we pay a coach to be here even when your child is not! As a courtesy to you, we will do our best to find space in a "like" class for missed pre-school, jr. level 1, and level 1 lessons. Space in a make up class is on a first come, first serve basis! We do NOT prorate, carryover, or refund fees for personal absences or holidays unless otherwise posted. Missed lessons cannot be made up during our summer sessions. When scheduling a make-up, please check with Az. Olympian office staff for space availability and schedule the lesson IN ADVANCE with office staff. Unscheduled make-up lessons might not be honored. In view of the fact that there are no other "like" classes for any of the levels 2 or 3 – NO MAKE UPS will be provided. Make ups for missed Team work outs due to Saturday competitions or other gym-related reasons are made up during special holiday work-out schedules when the gym is generally closed.

CLASS CHANGES (ADD-ONS/DROPS)

Arizona Olympian Gymnastics, LLC tries to accommodate your family's busy schedule. Class changes, including

adding or dropping, may be made any time during the session, providing that space is available in the class into which your child wishes to move. The front desk staff will assist you in making any class changes.

Students who wish to drop the class are respectfully asked to inform ADMINISTRATION a minimum of one week BEFORE the start of a new session to reduce the risk of turning away potential students from a vacant slot caused by a non-attending student being listed for that particular class. As a courtesy to AZOG and other current and potential members, please advise ADMINISTRATION of your intentions, in advance.

Since membership at AZOG is based on a 4-week pay session, students who take a temporary break run the risk of losing their spot to a full-paying student. To avoid any inconveniences, please call BEFORE returning to gym to confirm that your position is still available. As a courtesy to AZOG and other current and potential members, please advise ADMINISTRATION of your intentions in advance!

LEVEL ADVANCEMENTS

At Arizona Olympian Gymnastics LLC, students are NOT advanced to the next level based solely on their age or length of experience. A gymnast's advancement to the next level entails more than just the passing of skills. It also includes their over-all attitude, mental preparedness, work ethics, attendance, commitment level, and sportsmanship.

Our trained staff is here to provide your children with a positive gymnastics experience. Our instructors & coaches are continually observing, teaching, re-enforcing, and evaluating the students during their regularly scheduled classes/workouts. We have developed a testing program of required skills that students must pass in order to advance to the next level or to be allowed admittance into our competitive program.

Advanced or competitive students transferring from other in-state or out-of-state gyms are required to be evaluated prior to placement in our program.

The instructors of each class constantly and consistently inform the recreation coordinator when it is time to evaluate your child. If you feel that your child is ready to be evaluated for the next level and your instructor has not yet spoken with you about an evaluation please feel free to discuss requesting an evaluation. If the instructor does not feel your child is ready at this time you may still request an evaluation with the front desk.

STUDENT ATTIRE

For safety reasons, BELTS, JEWELRY, TIGHTS WITH FEETIES, DENIM SHORTS, OR ANY OTHER RESTRICTIVE CLOTHING should NOT be worn for gymnastics classes. Long hair should be pulled back with a plain elastic band. Pre-School, Jr. Level 1 and Level 1 Girls may wear leotards, bodysuits, t-shirts, athletic-type shorts, sweat shirts/pants. Boys may wear athletic-type shorts, t-shirts, sweat shirts/pants.

All girls in Level 2, Level 3, and Team must wear a leotard. In addition, Girls may wear approved gymnastics shorts or approved pants.

STUDENT CONDUCT

Students are expected to remain in the lobby/viewing area when not participating in class. While participating in class, students should remain with their class and follow the instructor's directions. While on the premises, both inside and outside, students are expected to refrain from vulgar, disrespectful, & destructive behavior. Students are encouraged to show respect towards instructors, fellow classmates, other gymnasts and their personal property, as well as the gymnastics facility and equipment. Arizona Olympian Gymnastics staff members reserve the right to dismiss students, without refund, for repeated activities that are considered to be disrespectful, disruptive, destructive, or that jeopardizes the safety of oneself or others.

CHILD CARE POLICY

We do not provide a child-care service. When our staff is on duty, they are unable to focus on children other than their current class. Although we try our best, Arizona Olympian Gymnastics LLC is unable to guarantee the welfare of children left unsupervised. For the safety of your children as well as others, please pick them up promptly after their scheduled class. We ask your help to discourage your children from wandering around the facility as well as the outside premise of Arizona Olympian Gymnastics and the surrounding area.

MEDICAL RELEASE

The medical releases give Arizona Olympian Gymnastics staff members and/or authorized agents permission to render first-aid treatment; and/or obtain emergency AND/OR medical treatment without the worry of negative repercussions. *Az Olympian Gymnastics, LLC is located on a county island, therefore any medical attention, including 911 calls made on your family's behalf, will be AT YOUR OWN EXPENSE!*

PUBLICITY POLICY

Arizona Olympian Gymnastics LLC, the Arizona Olympian Booster Club, and other individuals representing Arizona Olympian Gymnastics LLC may submit articles, photographs, and advertisements to newspapers and other print media from time to time. We may also make our gym and athletes available to various broadcast media as well. The purpose for providing this information and access is: to promote the individual gymnasts and teams at Arizona Olympian Gymnastics LLC; provide the community with a better understanding of gymnastics and the role our gym plays in the local and national gymnastics community, to promote the sport of gymnastics, and to promote Arizona Olympian Gymnastics LLC. We do our best to inform potential members that membership and participation in any of our gymnastics programs at Arizona Olympian Gymnastics LLC provides permission and approval for these submissions for all the athletes and families involved in any of these gymnastic programs. We also do our best to convey the understanding that participation in any Arizona Olympian Gymnastics publicity projects is WITHOUT compensation.

BOOSTER CLUB MEMBERSHIP

Booster Club membership is open to any one who is interested in supporting gymnastics. The purpose of the Booster Club is to support our teams' members and coaches for competitive meets and related activities and education; to help supply needed materials/equipment for all members in the gym to use; and to encourage goodwill through community services and other outreach programs. The Arizona Olympians Booster Club Association is a 501-3-c non-profit organization. The goal is to gather donations through sponsorships, fund raisers, etc.

When students advance to competitive team levels or are invited into our pre-competitive program, parents

will automatically become members of the Az Olympians Booster Club Association. Although this is an exciting time for the gymnast and parents, being a “team” member brings on a whole new list of commitments, responsibilities, and financial obligations. Parents are STRONGLY encouraged to participate in as many booster club functions as possible, including attending meetings, fundraisers and other outreach projects. It is the Association’s goal to develop into a financially strong support group that will minimize out-of-pocket expenses. When a child becomes eligible to become a team member, parents will be given a team handbook and scheduled for a team orientation.
