

A Quick guide to the Handbook:

Please note that this is just abbreviated notes to what is in the handbook and the handbook goes into each of the below topics more in detail and there are more topics covered in the handbook. The Handbook supersedes anything that may not be correct in this quick sheet.

ENROLLMENT IN OUR PROGRAM IS WITH THE UNDERSTANDING THAT YOUR CHILD HAS A RESERVED CLASS SPACE FOR WHICH YOU MUST PAY FOR REGARDLESS OF YOUR CHILD'S ACTUAL ATTENDANCE

- There is NO pro rating for missed lessons.

THERE ARE NO REFUNDS ISSUED FOR ANY REASON! Account credit can be given in extenuating circumstances!

- The gym has financial obligations based on our overall membership enrollment. We pay our coaches to be here whether or not your child is here. This also means that there is a reserved class space specifically for your child that will not be given to new member students. Therefore classes are NOT prorated because of missed days. Likewise, if your child fails to attend class due to illness, school activities (including homework), vacations, appointments, etc., we do not prorate for missed lessons. Your child's paid membership secures his/her placement in a specific class.
- *Since membership at AZOG is based on a 4-week pay session, members who take an un-paid temporary break run the risk of losing their spot to a full-paying member. Please call before returning to the gym to confirm your spot is still available*
- *Membership dues paid after the first day of the new session will be considered late*

We are not **obligated** to give make up lessons! We pay a coach to be here even when your child is not! Make up lessons are provided as a courtesy to you. We will do our best to find space in a "like" class for missed lessons for pre-school, jr. level 1 and level 1 classes.

- **In view of the fact that there are no other "like" classes for any of the levels 2 or 3, NO MAKE UPS will be provided.**
- **Make ups for missed team workouts due to Saturday competitions or other gym-related reasons are made up during special holiday work-out schedules when the gym is generally closed.**

Other Facts:

- The registration fee is **non-refundable after attending the first class.**
- The family registration is not prorated.
- The registration fee includes a mandatory insurance coverage while participating in class and other related activities at Arizona Olympian Gymnastics
- The cost of trial lessons will be incorporated into the remainder of the session's membership dues if you join.
- The cost of a trial tumbling class is \$20.00 up front and will become part of tuition if

you join the class.
