All minimum assessment fees are due as stated in the team handbook and booster club policies and procedures. If you choose to do fund raisers, we ask that you have all preparations done ahead of time and communicated with all members of any needs or accomplishments. We also ask that all members come with positive and creative ideas to the meetings on how we can make this organization the best for our children. If you take a position with the organization, please follow through in a timely manner and communicate appropriately of the positions' needs.

If you feel you can not commit to our written rules and policies, team handbook, and to the contents of this letter, you will need to speak to the Booster Club President and a representative of AZOG of your intent, prior to any movement of your child.
